English assignment - Principals of communication

Q1) Ans:- Society impacts us as individuals through our values, perceptions, languages & beliefs. These differences often hinder communication between people from different backgrounds & can cause miscommunication, misunderstandings, or conflicts. Since our social perception shapes how we interpret other's messages, recognizing & respecting cultural & perpetual differences is essential. By considering other's perspectives & avoiding stereotypes, we can reduce comm. barriers & achieve more effective interaction.

Q2). Ans:- Employees coming from different backgrounds & culture can hinder the process of communication, which can cause misunderstanding, conflicts, ~~busin~~ biasness or discrimination. Thus embracing & understanding each other's cultural background facilitates cross-cultural communication in a coworkspace environment.

Q3.) Ans:- 1) Loss or distortion of messages as they pass from one level to another.

2) filtering of information according to one's understanding / interpretation.
